# What Makes Earthcomber Unique?

**Integrated Mapping and Directions**  
View handy maps of search results, and get directions to the door.

## Personal Radar™

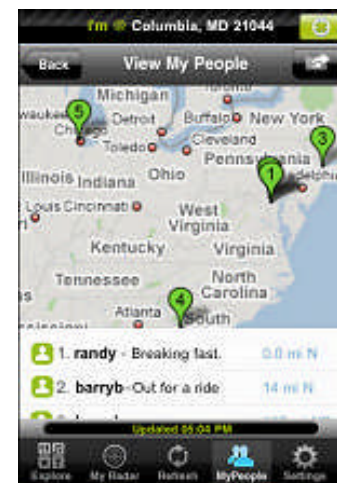

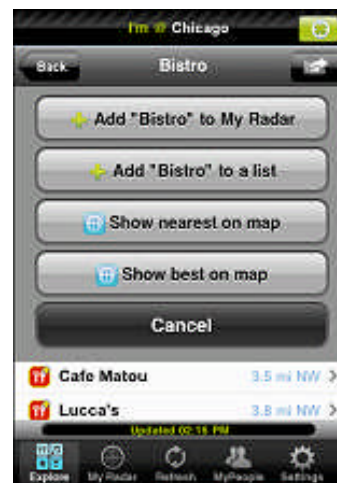

Our patented technology scans constantly for your favorite people, places and things. Search results update automatically as your location changes.

**The Best Content**  
We have the most comprehensive content of any mobile application – restaurants, movie listings, events, local information, historic sites, travel essentials, and more coming every day. Everything you want to find when you're out and about.

## Personalized

Create lists to match any mood or mode – *Weekend Fun, Out with Kids, Road Trip*. Each list can search for exactly the things you need in that mode.

## Integrated People Locator

Share your location and status with friends and family. Get directions directly to their location.

**Winner!**
